Attention: - Regarding letter to Tony
Abbott about ISIS and ISIL

Dear Clive

Please find enclosed the following letter written
to Prime Minister Tony Abbott, something needs to be
done soon and quickly people are being killed Christians,
Jews and Non Beleivers in nothing.

There is 12 pages to back up and prove what I say and
somebody needs to stand up and say enough is enough
creating Terrorist Groups and Funding them.

See what damage you can do armed with the truth what
is really happening in Iraq and Syria and other parts of
the Middle East and Africa.

Yours truly
Lloyd T Vance
